Why this form is important

As a valued exhibitor this year, we want to ensure that you are given absolute priority when planning the hall layout for the next event in 2013. Traffex, Parkex and Street Design will take place in Hall 5, at the National Exhibition Centre Birmingham, and this is your opportunity to tell us your provisional stand requirements which will help us to shape the exhibition layout to best suit your requirements and budget.

Once we have received your form we will contact you with specific stand locations and costs to consider.

Please complete this form with as much information as possible and we will endeavour to meet your requirements.

Why reserve now?

- Planning ahead - peace of mind
- More choice of location
- Avoid disappointment
- Get ahead of the rest
